## The Monthly Magazine of the Residents Association

The objects of the BHRA are to act as an intermediary between the residents and other parties, to keep residents informed of matters of importance and recreation in and around the village, and to promote the interest of BAR HILL VILLAGE.

This is a private publication and may not be reproduced without permission.

ISSUE I50 APRIL I98I

Over the years, the Residents' Association has had much correspondence with residents concerning the behaviour of dogs in the Village.

Many dog owners are responsible, but their reputation is spoilt by the few owners who allow their pets to roam the Village alone, or foul the paths and play areas (even when they are under their owners' control).

We would like to quote a recent letter.

"TO BAR HILL DOG OWNERS

ON WALKING HOME FROM THE SHOPS MY THREE YEAR OLD DAUGHTER WAS CHASED BY A DOG WHICH REALLY SCARED HER.
WHY CAN'T DOG OWNERS ON BAR HILL WALK THEIR DOGS INSTEAD OF JUST LETTING THEM RUN LOOSE. THE FEW PEOPLE WHO DO WALK THEIR DOGS USUALLY LET THEM FOUL UP THE PLAY AREAS IN THE VILLAGE. IT'S NOT VERY PLEASANT CLEANING UP CHILDRENS' SHOES AND CLOTHES. SURELY WITH ALL THE WASTE LAND PEOPLE DON'T HAVE TO BE SO LAZY AND LET THEIR DOGS FOUL UP THE FOOTPATHS AND GRASS. DOGS ARE YOUR RESPONSIBILITY. WHY HAVE DOGS IF YOU CAN'T BE BOTHERED TO LOOK AFTER THEM. PLEASE PLEASE KEEP YOUR DOGS IN. IT'S NOT VERY NICE TO BE CHASED BY A DOG EVEN IF THE DOG IS FRIENDLY.

FROM AN ANXIOUS MOTHER"

It is not only small children who have such experiences. We are aware of a pregnant woman being almost knocked over by a large dog.

# PARISH COUNCIL NOTES

The monthly meeting of the Parish Council was held on Tuesday I7th March in the Committee Room in the Village Hall.

## Resignation of David Lindsay

The Chairman announced with great regret that he had received a letter of resignation from David Lindsay. The entire Council endorsed the Chairman's sincere thanks to David for all the work he has done for the Parish Council during the the last six years, and especially during his two years as Chairman. His personal kindness to many people in the village is also much appreciated. David will be leaving the village this summer and we all wish him every success and happiness for the future.

Anyone who would be interested in taking David's place on the Council should please ring the Deputy Clerk, Christine Avery (tel. 8I233) for further information.

## Trolleys

It was noted with some concern that a great many village residents are taking trolleys home from Tesco's and failing to return them. The problem seems to be especially bad in Hollytrees and Appletrees. The Council would respectfully remind all villagers that the taking away of trolleys and failure to return them amounts to theft and that Tesco's, if they so wished, could take proceedings against the people concerned. The accumulation of trolleys in residential areas is also unsightly, dangerous and an invitation to children to use them as playthings. Please, if at all possible, do <u>not</u> take trolleys home, and if you do, please ensure that they are returned to Tesco's at once. Thank you.

## Bus passes

The Clerk reported that the cost of concessionary bus passes would be increased by the District Council to £4.20 each, with effect from Ist April. It was agreed that the Parish Council would bear this increase and would continue to pay the cost of concessionary passes for all pensioners living in Bar Hill. Anyone who thinks they may qualify for a pass in invited to ring Lyn Moss (tel. 8I34I) for details of the scheme.

## Annual Parish Meeting

The Annual Meeting of Bar Hill Parish will be held on Wednesday 29th April at 8.00pm in Bar Hill School. The guest speakers will be Mr Norton, headmaster of the school, and Mr Rooney, Warden of Swavesey Village College. Refreshments will be served, free of charge, and everyone is invited to come to this enjoyable and informative social occasion. All village organisations are welcome to present a report on their activities during the year and their plans for the future, so if you would like to report on behalf of your particular organisation, please contact Christine Avery (tel. 8I233).

The next meeting of the Parish Council will be held on Tuesday 2Ist April at 7.30pm in the Committee Room, Bar Hill Village Hall.

## BAR HILL CHURCH

The Church is sponsored by the Baptist Union, the Church of England, the Methodist Church, the Religious Society of Friends and the United Reformed Church. Coming from a number of different traditions we are learning how to act as one Christian fellowship. Come and help us strengthen our witness to God's presence in this village.

## SWAVESEY VILLAGE COLLEGE COMMUNITY EDUCATION

### Forthcoming Attractions

FRIDAY APRIL 10th — HOBBIES EXHIBITION 8 - 9.45pm

An opportunity for all the family to wander around looking at a wide variety of exhibits from over thirty local inhabitants. Something for all the family and its FREE. Just turn up on the night.

SATURDAY MAY 9th — PERSPECTIVES THEATRE COMPANY'S production THE DEVIL ON THE HEATH

7.30pm Adults £1 Children/OAP 50p

This comedy-with-music is set in a small fen village in the 50's and follows the lives of the Turner family who live a short distance away from a giant U.S. Air Force base. The production examines some of the relationships and/or traumas created by the proximity of the base.

However, one foggy night something happens which changes the lives of the whole village. Something so extraordinary that it could never happen. Or could it? Writer, Tony Could, is saying little, except that his research into the 50's has uncovered certain incidents which are still the subject of a press blackout.

An intriguing evening in store!

TICKETS AVAILABLE FROM THE COMMUNITY OFFICE AT THE COLLEGE or by telephoning SWAVESEY 30373 -

## BAR HILL HEALTH CENTRE

"PREVENTION AND TREATMENT OF ACCIDENTS IN THE HOME, AND HOW TO MAKE UP A FIRST AID BOX."

THURSDAY APRIL 9th 8p.m.

A TALK WILL BE GIVEN BY MR KEARLEY TO WHICH EVERYONE IS CORDIALLY INVITED.

THIS INSTRUCTIONAL TALK WILL INTEREST AND BE OF HELP TO MEN AND WOMEN OF ALL AGES.

DON'T FORGET THE DATE.

LETTERS TO THE EDITOR

Dear Sir,

It is with great sympathy that I read in the last issue of the Bar Hill News about Mr Carr's predicament. This you may recall was caused by a letter from Mr Bower in an earlier edition of the B.H.N. relating to the attack on his cat by a Greyhound or Whippet. It seems that the exercising of Mr Carr's Greyhound albeit on the end of a lead has become somewhat of an ordeal for various residents en route.

I noticed with some amusement that whilst his Greyhound received its constitutional on the end of a lead, his Spaniel was without such incumberances and was thus roaming far and near and all over my front garden.

I suggest that it is this inequality of canine bondage that may prompt the perturbing glances.

Yours faithfully,
Jack Lewis
34 Hollytrees

P.S. I too have a dog which is exercised on a lead even though it's only a Yorkshire Terrier.

---

Dear Sir,

As a non-resident of Bar Hill I am an avid reader of the Bar Hill News each month.

It is therefore with deep regret that I read of the difficulties recruiting helpers for the various important tasks carried out by the Residents' Association in the March edition. The magazine provides an important link for groups in the community and it would certainly be a backward step in community development if the production of this magazine was to cease.

So come on, residents of Bar Hill, keep this worthwhile service alive and give up an hour or two a month to help a worthwhile cause.

Yours faithfully,
Colin Thomas
Senior Community Education Tutor
The Village College, Swavesey

Dear Colin,

Thank you for your support. I believe the News will continue to be published as long as the Residents Association exists to produce it. We give the News priority over other activities, and it is those which are more likely to suffer from lack of support. There are about 20 residents who are not associated with the committee to whom we are most grateful for their help

## MAMA

Following a discussion at our last meeting the Mama group have decided to start a borrowing and lending list for baby equipment. The idea is that anyone who has something (e.g. a baby walker) they are not currently using, but don't actually want to sell and who doesn't mind other people borrowing it can put their name and address on the list and then anyone wishing to borrow equipment can contact prospective lenders. The list will be available for people to see at Mama meetings. If you have equipment you don't mind lending perhaps you could let us know.

We also intend to pass round information about baby equipment and clothes wanted (to buy) or for sale. This also we shall do largely through our fortnightly meetings. If you are wanting to sell anything, again you can ring us if you wish and let us know what you have to sell. We will have a separate list of articles for sale, to be passed round at Mama meetings.

The meetings for the next two months are:- 3rd. April
1st. May
15th. May
29th. May
at 2.30pm in the Health Centre. There is no meeting on April 17 as it is Good Friday.

The Toy Library will be open on Friday 10th April and Friday 24th April from 2.00 until 4.00 in the Health Centre. The Junior members recited a poem of the Red Cross Story, and the Youth members (who have just completed an Accident Prevention course) showed how an accident in the home can happen with a blazing chip pan, the first aid skit was "how it should NOT be done" followd by "how it should be done".

There was musical entertainment from Mr. and Mrs. Savage and Julie Robinson-Judd, starting off with group singing and guitar music, and then a duet on the flute, and a Scottish and Irish piece on the penny whistle.

Refreshments were served and a bring and buy stall was manned by the Juniors and Youth members which raised £12.31.

On the whole a very satisfying and interesting evening due to your generosity and support.

## BAR HILL RED CROSS YOUTH CADETS

A course on HYGIENE will begin on Tuesday 17th March 1981. This is a certificated course and will consist of six sessions, plus one evening for the examination. Anyone who is interested in joining us, please come along if you are over 11 years old. Tuesday 7.00pm in Bar Hill Primary School.

## BAR HILL FERMENTERS' GUILD

There was a good attendance for our March meeting and once again we were pleased to welcome some new members. Tony Millns gave a very interesting talk on Micro Breweries and suggested that the Guild might like to form a consortium!

On March 12th a party of 16 (unfortunately including only 7 members) travelled to Shepherd Neame Brewery at Faversham in Kent. We arrived in time for lunch and a pre-visit sampler at a local hostelry; followed by a lightning tour of the brewery and some Shepherd Neame hospitality. During an evening spent viewing some of the lesser known sights of London's West End we managed to lose only one person (luckily not a member!).

Looking ahead: our next formal meeting is the "Home-Made Beer and Bread" Competition on May 12th; although a return darts match with the White Swan, Connington is being arranged for early April. (Members will be receiving details of these in due course.)

DON'T FORGET to keep Saturday 4th July free for the Fermenters' Guild BARBECUE.

# BAR HILL PRE-SCHOOL PLAYGROUP

A Playgroup provides a place where parents and children can meet. The essence of a good playgroup is that it is a place where parents can feel welcome, a place where parents and child can team together. It provides a rich variety of materials for children to explore, opportunities for group play, messy play, puzzles and toys for developing manipulative skills, books, stories, rhymes, a chance to sing and a chance to listen.

Last year the newly elected committee looked back with gratitude at the planning and work of the past in setting up a Playgroup that has been enjoyed by so many children and been of benefit to so many village families. Whether it is run by one parent in a house or by a group of mothers or a committee and supervisors in a hall, a Playgroup should serve the needs of the community in which it exists. Bar Hill Playgroup has passed through many stages as the village itself grew.

Looking forward the committee hoped to increase the knowledge of Playgroup's aims to everyone in the village, individual families, other community organisations or groups using the shared facilities of the Village Hall. We hoped to continue the goodwill, interest and understanding upon which the success of every non-profit making Playgroup is so dependant.

A Playgroup cares about families. The movement has tried to be conscious of all children whatever their needs. Within Cambridgeshire opportunity groups have been formed to help the handicapped under five and his family but many also attend local groups. Handicapped children are children first with the same needs as all children. They are handicapped second with special needs that arise from the handicap. The special needs are extra not alternative ones to those all children share.

Most children have no long term disability but all need understanding and help in learning to play in a group. A Playgroup provides adults to talk with the children, to listen to them, to help them to concentrate, to be a comfort when needed or to lead a child on to something new and challenging. At Bar Hill the Playgroup has at least two parent helpers at each session but with the full number of children spread between the two rooms additional help would be welcomed. Some children need extra attention, activities such as woodwork need constant supervision so if any adult can spare time for part or all of a session the help would be much appreciated. Parents of Playgroup children are encouraged to offer their help but asked to consider very carefully whether or not to bring a younger child. Apart from adding to numbers toddlers can be distracting. The Committee of Parents is concerned that all helper's attention is given to the Playgroup children for which it is legally required and stress that no facilities can be offered for the benefit of children not yet attending the normal Playgroup sessions.

Thanks to the work and support of everyone in the village our main fund-raising event, the Christmas Fayre was enjoyable and successful. We have recently added cubicles in the children's cloakroom and intend to replace old tables and chairs. Financially our aim is to keep all running costs, salaries for the four supervisors, administrator and cleaner, the rent,

Bar Hill Playgroup is glad of the links with the Village Community, especially the Health Centre, Mother and Toddler Group and the School. It recognises the backing and support received from the local and National Pre-School Playgroup Association. The PPA organises many courses which cater for anyone whose life and work revolves around the young child. Look out for notices about the course to be held soon

Most families are getting ready for Easter. Ideas of things to do beforehand are useful. Initial an Easter Egg. Draw a letter or name on an egg with candle grease or cooking fat. Let it harden and soak it in vinegar for half-an-hour then boil it with a little food colouring and the letter will stand out. Egg Hunt. Hide different coloured eggs indoors or around the garden then look for them before breakfast on Sunday morning. For the older children each child choses a different colour. Make an Easter rabbit from a cardboard tube. Stick on pieces of white cotton wool round the face and add long ears of brown coloured card. Cut out eyes, whiskers and mouth from coloured sticky paper. The rabbits can be placed on the table on Easter morning and filled with small chocolates or sugar Easter eggs.

Make an Easter mobile. Cut a spiral from a flat circle of card and hang half egg shells along it with thread. Paint the shells different colours. An Easter tree. Stand a branch in a pot and paint it white. Make birds out of corks stuck with feathers with pieces of card for wings. Make sure you have Hot Cross buns and the nursery rhyme on Good Friday!

The recent Open Evening and Buffet hosted by Bar Hill Playgroup was an enjoyable event. A talk about children in hospital by the NAWCH representative was of particular interest. Thank you to everyone from the Village who supported this event, especially to the Playgroup Mothers who helped to clean and generally prepare the Village Hall for the evening.

Remember the Playgroup and Mother and Toddler AGM for 1981 on Wednesday 8th April. We are changing the previously advertised time to 8.30pm and hope that all present and future Playgroup families will join us.

As the present Committee sign off we thank everyone for the interest and support given to us during our term of office.
